Aldergrove, BC, V4W 1Z2

Dear Members,

Thank you for your donation of **\$338.00** (plus a \$30.00 personal cheque for a total of \$368.00) to the Aldergrove Food Bank.

The Langley District Help Network, a registered charity, operates the Langley Food Bank, Free Store and the Aldergrove Food Bank.

We provide groceries, clothing and accessories and children's birthday gifts to over 800 client families.

The ongoing demand for our services has continued at record high levels this past year. At the same time, the level of support and volume of donations received has also been at record high levels thanks to the generosity of this community. We are currently distributing over 550 grocery hampers plus hundreds of articles of clothing and many birthday gifts every week.

To quote one of our clients: *"May God bless all those whose material and volunteer contributions have helped my family. I was able to provide through all God sent your way at the Langley Food Bank. Thank you for helping the fatherless, orphaned and widowed"*.

  
George Vandergugten,  
Executive Director  
Langley Help Network
